WANT TO IMPROVE YOUR SKILLS AND FURTHER YOUR CAREER?

Take control and develop your career path with Service Logic's EDGE Academy! *Service Logic Companies invest in the Future. Seize the opportunity to invest in Yourself. Join us at The EDGE.*

WHY SERVICE LOGIC?

As members of the largest commercial HVAC Service Provider in the U.S., Service Logic Companies invest in our future by investing into our greatest asset: our people.

Experienced or Journeyman Technicians benefit from EDGE Academy. Beginning with a formal skills assessment to determine areas of strength and opportunities for growth, a participant will have a customized development program consisting of:

- Targeted online continuing education courses
- Participation in various OEM classes
- Educational modules hosted at partner technical schools
- On-the-job application opportunities of new knowledge gained

Career Opportunities

Participants in EDGE Academy have progressive learning and development opportunities to fuel career growth.

Ongoing Education

With over 1,500 a-la-carte programs available, technicians can expand their skillsets throughout their career.

Latest Curriculum

The EDGE Academy program allows access to the most up-to-date textbooks and industry-leading learning content on the market
